Discontinuation of paper manuals and change of storage media for manuals and softwares

1st Aug, 2024

To all Customers:

Thank you for your continuous support.

As part of our efforts to reduce paper-based materials from an environmental perspective, we have decided to change the storage media as follows.

We apologize for the short notice, and we would appreciate your understanding.

Change of media for manuals

Until Aug. 31st 2024: Delivers printed manual with the products

From Sept. 1st 2024: Delivers PDF manual on USB memory stick with the products

*You can also download it from our website (<https://www.daiichi-dentsu.co.jp/>)

Change of media for User Console software

Until Aug. 31st 2024: Delivers the software with CD with the products

From Sept. 1st 2024: Delivers the software on USB memory stick with the products

For further questions, please contact your local distributor or contact following email address.
